

## TCH PILLARS

For year 2021-2024

 <p><b>Cultural Society Resilience</b></p>	 <p><b>Geo-Tourism Sustainability Adaptability</b></p>
 <p><b>Geo-Tourism Multi-Sector Partnership</b></p>	 <p><b>Adaptive Safety Net Cultural Tourism</b></p>

## RESEARCH STATIONS

TCH Cluster has carried out a number of research projects continuously in several locations in Indonesia, among others:

## PARTNERS

# TOURISM & CULTURAL HERITAGE TCH

Research Cluster Profile

Tourism and Cultural Heritage (TCH) is a research cluster that facilitates sustainable tourism studies and its development, as well as cultural heritage preservation and management of rich-in-natural beauty and diverse Indonesia. We have been looking at the various aspects of tourism including economic resilience, disaster risk management, the role of culture in disaster-resilient communities and how they correlate with sustainable development.

TCH CLUSTER

ROAD MAP

RDI's vision to improve its research in tourism and cultural heritage is manifested in our road map below. We are likely to explore more about tourism and cultural heritage management, in hope of spreading more sustainable development tourism and cultural heritage preservation.

Currently, there is a **flagship project** that is being run by the TCH Cluster. The project is *The Impact of Tsunami on the Economy of the Hotel Industry in Pandeglang Regency*.

TCH ACTIVITIES

*By conducting a certain number of research every year, collaborating with multiple partners, national and internationals.*

**INTERN**

Annually, TCH hosts 5 Interns from partner institution who have interest in tourism and cultural heritage in general. The activities comprise conducting data collection and literature review, assisting team members on writing and design, and supporting team members in developing other project output and deliverables.

COLLABORATION

RDI has collaborated with various institutions for either projects or events. Some of the key collaboration include:

1. Visitation to one the Partner Institution abroad in 2016.
2. International Conference: 3rd International Seminar of Tourism in 2017.
3. Retsumekan Training: Cultural Training and Disaster Risk Reduction in 2017.
4. The International Conference on UNESCO Global in 2019.
5. Webinar on "The Impact of Covid-19 on the Tourism Sector and New Normal Transition Efforts" with Dr. Ayu Khrisna from UPI, and Lianda Lubis as Head of UPTD Tahura Ir. H. Djuanda (Taman Hutan Raya) in 2020.

2021

**Cultural Society Resilience and Global Pandemic:**

1. Cultural society in mitigating COVID-19 outbreak.

**Geo-Tourism Sustainability and Adaptability:**

1. Geo-tourism management and policies to promote the new normal natural tourist sites.
2. The Impact of the Disaster and Crisis on the Economy of the Hotel Industry in Tourist Sites (case study: Pandeglang Regency)

2022

**Cultural Society Resilience and Global Pandemic:**

1. Cultural society adapting with COVID-19 outbreak situation.

**Geo-Tourism Crisis Management:**

1. Consultancy for geo-tourism stakeholders.
2. Policy and framework assessment on disaster risk management in tourist sites.

2023

**Cultural Community in Tourism Development:**

1. Cultural society in developing tourism context in their sites.
2. Cultural tourism advocacy.

**Geo-Tourism Multi-sector Partnership:**

1. Geo-tourism stakeholders and private sector partnership management.

2024

**Adaptive Safety Net Cultural Tourism:**

1. Safe cultural tourism sites establishment.
