

Open Position for Air Quality Research Officer in RDI (Bandung-based)

RDI is looking for an Air Quality Research Officer!

Qualifications:

- Bachelor's degree with minimum 1+ years experience, master's degree is highly preferable.
- Degree in environmental engineering or environmental science.
- Experience in emissions and air quality management topics in relation to industrial and transportation activities.
- Experience in air quality modelling is highly preferable.
- Experience and strong interest in research on other environmental topics, particularly in solid waste management, sanitation, and environmental policy.
- Good written and oral communication skills in Indonesian and English will be essential for maintaining positive relationships with team members, partners, and stakeholders.
- Strong growth mindset, analytical skills, critical thinking, and excellent academic writing skills.

Responsibilities:

- Responsible for proposal writing, RDI research, and project consulting on environmental issues in multi-level governance and emergency policy, among other environmental policies.
- Analyze research findings, generate comprehensive reports, and provide valuable insights for research project planning and execution.
- Collaborate with other researchers and project teams to design and execute research projects.
- Stay updated on the latest trends and developments in air environmental issue research.
- If accepted, willing to work offline (WFO) in Bandung.

Additional Information:

This position is based in Bandung. The salary range is IDR 5-7 million/month and will be determined based on the officer's educational background and years of relevant experience. Successful candidates will be contracted for 6 months, from August 2026, with the possibility of an extension subject to project funding.

Application Process:

Please send your CV, motivation letter (detailing your qualifications and reasons for applying to RDI), academic transcript, graduation certificate (or relevant statement letter), any English test score certificate, and Academic Writing portfolio. Applicants are also encouraged to include examples or portfolios demonstrating experience with relevant research methods, data analysis, or policy work.

Combine all documents into one PDF file. Applicants who do not combine the files as specified will be immediately disqualified. Send your application to:

<https://bit.ly/WWMROJune2026>

No later than **Tuesday, 30 June 2026, at 15.00 WIB (Western Indonesia Time)**.

Only selected candidates will be contacted for the next selection process!

We will consider your application and only contact you if you are selected for the next phase of our recruitment process.
